SUMMARY OF SCHEDULED MEETINGS

Wednesday, 19 September 1990

GENERAL ASSEMBLY

Forty-fifth session

GENERAL COMMITTEE 1st meeting

Organization of the forty-fifth regular session of the General Assembly, adoption of the agenda and allocation of items: memorandum by the Secretary-General (A/BUR/45/1 and Add.1)

The General Committee decided to draw the Assembly's attention to the provisions reproduced in annexes V, VI and VII of its rules of procedure.

The General Committee noted the provisions of General Assembly decision 34/401 and General Assembly resolution 39/88 B on the organization of work of the General Committee.

The General Committee decided to draw the Assembly's attention to recommendations 2, 3 and 7 of the Group of High-level Intergovernmental Experts.

The General Committee decided to recommend to the General Assembly that the holding of concurrent meetings of the Special Political Committee and the Fourth Committee should be avoided to the extent possible and with the necessary flexibility during the forty-fifth session.

The General Committee took note of the information contained in paragraphs 7 and 8 of the progress report on its implementation of General Assembly resolution 41/213.

The General Committee decided to recommend to the General Assembly that the Assembly recess on 18 December 1990 and conclude on 16 September 1991.

The General Committee decided to recommend to the General Assembly that all plenary meetings as well as meetings of the Main Committees should begin at 10 a.m. promptly.

The General Committee decided to recommend that, in order to avoid the late start of meetings and as a cost-saving measure, the General Assembly should waive again at this session the requirement of the presence of at least one third of the members to declare a plenary meeting open and permit the debate to proceed, and one quarter of the members to declare a meeting of a Main Committee open and permit the debate to proceed. This recommendation was made on the understanding that such a waiver would not imply any permanent change in the provisions of rules 67 and 108 of the rules of procedure pertaining to the opening of meetings.

The General Committee agreed to recommend to the General Assembly that delegations should be reminded of the importance of punctuality.

The General Committee endorsed the suggestions contained in paragraph 13 and 14 of the memorandum concerning the duration of the general debate and the closure of the list of speakers.

The General Committee decided to draw the Assembly's attention to its decision taken at previous sessions, that the practice of expressing congratulations in the General Assembly Hall after a speech had been delivered was prohibited. It decided to recommend to the Assembly that the provision should also apply during the forty-fifth session. It further recommended that speakers in the general debate leave the Assembly Hall by the door to the rear of the podium.

The General Committee decided to draw the Assembly's attention to paragraphs 6, 7 and 8 of its decision 34/401, concerning explanations of vote and right of reply.

The General Committee decided to draw the attention of the General Assembly, as it did at recent sessions, to rules 72 and 114 of the rules of procedure and paragraph 22 of annex VI thereof for appropriate action in plenary meetings and the Main Committees.

The General Committee decided to recommend to the General Assembly, regarding the records of meetings, that the practice whereby the Special Political Committee may obtain, on specific request, transcriptions of the debate of some of its meetings, or portions thereof, should be maintained.

The General Committee also decided to recommend to the General Assembly that its decision not to reproduce in extenso statements made in a Main Committee should be maintained for the forty-fifth session.

The General Committee decided to draw to the Assembly's attention the need for full implementation of paragraph 17 of General Assembly decision 34/401, concerning concluding statements.

The General Committee decided to draw the Assembly's attention to paragraphs 12 and 13 of its decision 34/401, dealing with estimates and to paragraph 6 of its resolution 35/10 A and to article 4.9 of the regulations governing programme planning, the programme aspects of the budget, the monitoring of implementation and the methods of evaluation contained in the annex to Assembly resolution 37/234.

The General Committee decided to draw the Assembly's attention to paragraph 28 of General Assembly decision 34/401 relating to reports of the Secretary-General or subsidiary organs.

The General Committee decided to draw the Assembly's attention to paragraph 24 of the memorandum concerning control of documentation.

The General Committee decided to draw the Assembly's attention to paragraph 32 of its decision 34/401 and to recommendation 3 (f) of the Group of High-level Intergovernmental Experts.

The General Committee decided to draw the Assembly's attention to paragraph (b) of its decision 34/405 and to recommendations 2 (d) and 4 of the Group of High-level Intergovernmental Experts, as mentioned in paragraph 27 and 28 of the Secretary-General's memorandum.

The General Committee decided to recommend to the General Assembly that the Assembly should authorize the meetings of subsidiary organs referred to in paragraph 29 of the memorandum.

The Committee agreed, without objection, to the following proposals made by the Chairman: (1) the list of speakers on each of the main agenda items would be closed not later than 48 hours following the introduction of the item; (2) the speakers would make their interventions in the order in which they were inscribed on the list of speakers, and, in the event that a delegation was not present when it was due to speak, it would go to the end of the list for that day; and (3) the Rapporteur would be authorized to report directly to the General Assembly on all items considered, unless, in a particular case, the Committee were to decide to include a summary of the debate in its report.

Statements concerning the Committee's tentative programme of work were made by the representatives of Uganda, Cuba, Algeria, Japan and India, as well as by the Chairman, who replied to questions raised by delegations.

The report of the Credentials Committee was before the Conference in document A/CONF.147/13. Attention was drawn to letters addressed to the Secretary-General of the

Conference by the representatives of Turkey (A/CONF.147/11), Cyprus and Viet Nam.

Statements were made by the representatives of Iraq, Qatar, Kuwait, Saudi Arabia, the United States, Italy (on behalf of the European Economic Community and its member States), Cambodia, Egypt, Australia, the Philippines, Bahrain, China and United Arab Emirates.

The Conference adopted the draft resolution contained in paragraph 17 of A/CONF.147/13, thereby approving the report of the Credentials Committee.

Review of progress at the country level thus far in the decade [8]

Review of the progress in international support measures and particularly in official development assistance [9]

National and international policies and measures for accelerating the development process in the least developed countries during the 1990s in accordance with their long-term national, social and economic objectives, and finalization and adoption of a programme of action for the least developed countries for the 1990s [10]

The President of the Conference, H.E. Mr. Roland Dumas (France), recalled that, following completion of the substantive work of the two Main Committees on Wednesday, 12 September, the General Committee of the Conference had entrusted to three Ministers the task of conducting consultations on three key issues that remained outstanding in the finalization of the draft Programme of Action. H.E. Mr. Jan Pronk, Minister of Development and Co-operation of the Netherlands, was requested to conduct consultations on issues relating to the volume of official external resources; H.E. Mr. I. Rukikaire, Minister of State for Planning and Economic Development of Uganda, was entrusted with questions relating to external indebtedness; and H.E. Mr. Devendra Pandey, Minister of Finance of Nepal, was requested to lead consultations on a number of outstanding questions of a political nature.

The General Committee had further requested Mr. Glen Bailey (Canada), Chairman of Committee I, and M. Awad Mohammad El-Hassan (Sudan), Chairman of Committee II, to pursue informal consultations so as to resolve any other remaining questions.

The two Chairmen reported on the work of their Committees and the Conference was informed of the outcome of the consultations conducted by the three Ministers.

The Conference proceeded to the consideration of the draft Programme of Action for the Least Developed Countries for the 1990s. The draft Programme of Action comprises an assessment of the socio-economic situation in the 1980s, a statement of basic principles, national and international policies and measures for accelerating the development process in the LDCs in the 1990s, as well as arrangements for implementation, follow-up and monitoring and review.

Before the adoption of the draft Progamme of Action, attention was drawn to paragraph 115 *bis* of A/CONF.147/C.1/L.1, whereby the Secretary-General of the United Nations is called upon to make proposals relating to arrangements for implementation and follow-up.

The Conference adopted unanimously the draft Programme of Action for the Least Developed Countries for the 1990s as contained in the following documents A/CONF.147/C.1/L.1 and Corr.1, A/CONF.147/C.2/L.1/ Rev.1 and Corr.1, A/CONF.147/C.2/L.2/Rev.1 and Corr.1, A/CONF.147/GC/L.1 and Corr.1 (Russian only), A/CONF.147/GC/L.2 and Add.1 and A/CONF.147/GC/L.3.

Following the adoption of the Programme of Action, statements were made by the representatives of the USSR, Japan, the United States and the United Republic of Tanzania.

The Conference also adopted the Paris Declaration and Programme of Action of the Second United Nations Conference on the Least Developed Countries, contained in A/CONF.147/L.10/Rev.1 and Corr. 1, which was submitted by France.

Furthermore, under these items, the Conference adopted a text submitted by the Chairman of Committee I on criteria for designating the Least Developed Countries (A/CONF.147/C.1/L.2/ Rev.1), which would recorded separately in the report of the Conference, under "Other decisions".

Other business [11]

The Conference adopted a draft resolution submitted by Mexico, on behalf of the Group of 77, entitled "Economic assistance and LDC status for Namibia", as contained in A/CONF.147/L.8. After the adoption of this resolution, the representative of Namibia made a brief statement.

The Conference further adopted by acclamation a draft resolution, submitted by Mexico on behalf of all States participating in the Conference, entitled "Expression of gratitude", contained in A/CONF.147/L.9.

Adoption of the report of the Conference [12]

The Rapporteur of the Conference, Mr. Alexei Rybak (Ukrainian SSR) introduced the draft report contained in A/CONF.147/L.6 and Add.1 to 16. He stated that he had received a few requests for amendments, which would be incorporated in the final report.

The Conference adopted its report and authorized the Rapporteur to complete it, in consultation with the President, so as to reflect the proceedings of the closing plenary meeting.

Closure of the Conference

Closing statements were made by the representatives of Italy (on behalf of the European Economic Community and its member States), Sweden (on behalf of the Nordic countries), China, Mexico (on behalf of the Group of 77), Bangladesh (on behalf of the Least Developed Countries) and Denmark (on behalf of the OECD countries).
